

Job Description: English Teacher

Position: English Teacher

Organization: Bitcoin Innovation Hub

Location: On-Site

Type: Full-time

About Us:

The Bitcoin Innovation Hub is at the forefront of driving education, awareness, and adoption of Bitcoin and its related technologies. We are a dynamic organization passionate about fostering a decentralized future and empowering communities with knowledge about Bitcoin's transformative potential.

Role Overview:

We are seeking a compassionate and skilled English Language Teacher to join our team. The ideal candidate will have experience teaching English as a second language (ESL) to beginners and a passion for supporting refugees in their journey toward self-sufficiency. This role involves creating a supportive and inclusive learning environment tailored to the unique needs of learners.

Key Responsibilities:

- Plan, prepare, and deliver engaging English lessons focused on foundational language skills such as listening, speaking, reading, and writing.
- Develop and adapt lesson plans to meet the varying proficiency levels and cultural backgrounds of students.
- Use interactive teaching methods, visual aids, and practical activities to make learning accessible and enjoyable.
- Assess student progress through regular evaluations, quizzes, and feedback sessions.
- Foster a supportive classroom environment that encourages participation and builds students' confidence.
- Collaborate with program coordinators and other teachers to align lessons with organizational goals and learner needs.
- Provide individualized support to students facing challenges in language acquisition.
- Maintain records of attendance, progress, and lesson plans as required by the organization.

Qualifications:

- Bachelor's degree in Education, English, TESOL, or a related field (Master's degree is a plus).
- TESOL, TEFL, or CELTA certification (or equivalent) is strongly preferred.
- Proven experience teaching English as a second language, especially to beginners.

- Strong understanding of refugee experiences and sensitivity to cultural and linguistic diversity.
- Excellent interpersonal and communication skills.
- Patience, empathy, and the ability to adapt teaching methods to diverse learning styles.
- Basic proficiency in a second language is a plus but not required.

Preferred Skills:

- Experience working with refugee populations or in humanitarian settings.
- Knowledge of trauma-informed teaching practices.
- Familiarity with digital teaching tools and online platforms for remote instruction.

What We Offer:

- Opportunity to work at the cutting edge of Bitcoin and decentralized innovation.
- A collaborative and inclusive work environment.
- Competitive salary and benefits package.
- Professional development opportunities.

How to Apply:

To apply, please submit your resume, a cover letter detailing your experience and passion for Bitcoin, and links to your social media profiles or a portfolio of your work to hr@btchubafrica.com. Applications will be reviewed on a rolling basis.

Join us in shaping the future of Bitcoin and inspiring the next generation of adopters!
